

What They're Saying about the IHS Alumni Scholarship Fund

We now have a full-fledged Alumni Scholarship Fund with all IHS classes participating. Can you find it your heart to give back to our IHS community with a donation? Our dollars add up and become awards that go a long way in helping these kids go to college and better themselves.

Susan Russell Walsh, Class of 1962

We want to be able to support worthy IHS students, so we appeal to you to donate as you can afford. Every contribution helps in the continuing success of our Scholarship Fund.

IHS Alumni Scholarship Fund

The IHS Class of 1960 has carried forward a sense of community that helped create the Alumni Scholarship Fund. Many current IHS seniors also share that same sense of community, and want to give back to Irvington High as well. These young people are doing very good things, but they don't have a lot of support systems. Hopefully what we can do as alumni will help some of them and let them know that we feel a bond with them.

Nancy Hetz Sieffert, Class of 1960

The scholarship I received helped me tremendously. With the help of the Alumni Scholarship Fund, I was able to purchase books for two semesters. I would like to thank the committee for giving my peers and me a chance to excel in our education – their help is appreciated!

Erica Williamson, Class of 2008

The scholarship money allowed me to buy a Dell Inspiron laptop, books for my classes, and help pay for summer classes. Thank you so much for selecting me out of many candidates in the first place.

Ronald Josias, Class of 2007

I just wanted to say thank you very much for selecting me to receive this great scholarship; your award is greatly appreciated and rest assured that I will put every cent to good use to further my education.

Andrew McGibbon, Class of 2010

What a terrific experience it was for me to participate in Class Day, 2010, and to meet the recipients our scholarships. Thank you for your work with the Scholarship Fund – what a great way to generate continuity among the generations of IHS graduates.
